Dear Mr. Ware:

Many thanks for your letter of November 30 enclosing a list of material which were classified or opened during the recent visit by Wally Winkler, Rus Fisher, and We are very glad to have this for our records.

We will inform you if and when certain materials which your team was not able to see are located.

We will see that the three volumes of "War Secrets in the Ether" are marked "Declassified by NSA 1981." Let me say it was a pleasure for us to have the NSA folks visit. Katie and I enjoyed meeting them. They were most helpful in answering John Jacob's questions and in making suggestions about the management of the Friedman material.

We look forward to working with you in the future.

Dr. Hadsel joins me in sending you best regards and thanks.

Sincerely,

Royster Lyle, Jr.
