Director  
National Security Agency  
Fort George C. Meade, Maryland 20755

Dear General Faurer:

In addition to the organizations on whose behalf I wrote to you on January 16, 1984, the Virginia Library Association has decided to join in the request for access to documents in the William F. Friedman collection at the Marshall Library which at any time have been available for public inspection at the library.

Thank you for your attention to this matter.

Sincerely,

Mark H. Lynch
