**From:** (U//FOUO) [redacted] Investigator, D14

**Subject:** (S//NF) [redacted] former NSA employee. Alleged Misuse of the SIGINT System and Misuse of Government Resources.

**File No:** (U//FOUO) IV-14-0049

**Precedence:** (U//FOUO) Routine

**Purpose:** (U//FOUO) To provide a summary of the case, and to recommend that this case be closed.

Approved for Release by NSA on 07-28-2022 FOIA Case # 85643 (Litigation)

(b) (3) -P.L. 86-36

(S//NF) On 17 March 2015, [redacted] provided the OIG its Report of Investigation (ROI) concerning [redacted] activities (Appendix B). [redacted]

[redacted] She admitted to these searches and claimed that she was unaware that she could not or should not conduct searches [redacted] concluded that [redacted] showed no regard for rules or policies.

(S//NF) The [redacted] ROI also noted that [redacted] used her NSA sponsored unclassified computer account to check her personal email accounts [redacted] and correspond with her contacts during her work duty hours. [redacted] used both her [redacted] email account and [redacted] email account to correspond with individuals [redacted] during her work duty hours. [redacted]

(S//NF) On [redacted] the Associate Directorate for Security and Counterintelligence (ADS&CI) suspended [redacted] access to classified information and NSA facilities due to multiple CI issues to include her NSA database searches [redacted]

On [redacted] [redacted] advised the OIG that [redacted] resigned from NSA effective [redacted] to pursue further education and was currently [redacted]

V. (S//NF) **Analysis:** The [redacted] report concluded that [redacted] inappropriately used an NSA search tool [redacted] and misused Government resources when accessing her personal email accounts to exchange emails with individuals while at work. No other information was found in the ROI concerning [redacted] activities that were of interest to the OIG.

VI. (S//NF) **Conclusion:** None of the queries conducted by [redacted] involved unlawful tasking because the queries were run against data already contained in NSA's databases. Additionally, it could not be determined if [redacted] violated 5 C.F.R. 2635.704 - Misuse of Government Property without conducting further investigative actions.

VII. (U//FOUO) **Recommendation(s)** The [redacted] searches [redacted] made did not constitute a violation of EO 12333 or law. Due to the fact that ADS&CI has suspended [redacted] access to classified information and that she has resigned from NSA, D14 recommends closure of this case without further investigative action.
