(b) (6)	II. (U) Issue(s)
ŧ	(U// FOUO) Did use NSA/CSS ISs to perform tasks not authorized by the contract, approved by the Contracting Office, or permitted by NSA/CSS Policy 6-4?
	(U// FOUO) Did disclose personally identifiable information (PII) concerning without authorization?
	III. (U) Applicable Standard(s)
	• (U// FOUO) NSA/CSS Policy 6-4: Contractor use of NSA/CSS Information Systems and Resources.
	(U)Policy.
	1. (U) Contractors shall only use NSA/CSS ISs to perform tasks that are authorized by contract, approved by the Contracting Officer (CO), and permitted by this policy.
	2. (U) Contractor employees using NSA/CSS ISs are subject to the entire NSA/CSS IT Policy Series the same as Government employees
	(U) RESPONSIBILITIES
	25. (U) All users shall:
*	···
	n. (U) Use good judgment and common sense when accessing and/or communicating on unclassified ISs;
	 (U//FOUO) Department of Defense Directive 5400.11: DoD Privacy Program. (October 29, 2014)
	(U) Policy.
	 An individual's privacy is a fundamental legal right that must be respected and protected.

-SECRET//REL TO USA, FVEY

SECRETOREL TO USA. EVEY

3. (U) DoD personnel and DoD contractors have an affirmative responsibility to protect an individual's privacy when maintaining his or her PII.

...

f. Disclosure of records pertaining to an individual from a system of records is prohibited except with his or her consent or as otherwise authorized....

(U) RULES OF CONDUCT

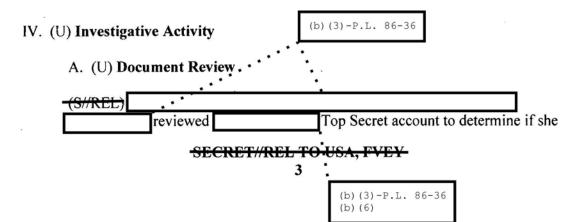

- (U) DoD personnel and DoD contractor personnel will:
- a. (U) Take action to ensure that any PII contained in a system of records that they access and use to conduct official business will be protected so that the security and confidentiality of the information is preserved.
- b. (U) Not disclose any PII contained in any system of records, except as authorized by The Privacy Act, or other applicable statute, Executive order, regulation, or policy. Those willfully making any unlawful or unauthorized disclosure, knowing that disclosure is prohibited, may be subject to criminal penalties or administrative sanctions.

. .

f. (U) Safeguard the privacy of all individuals and the confidentiality of all PII.

(U) DEFINITIONS

PII. Information used to distinguish or trace an individual's identity, such as name, social security number, date and place of birth, mother's maiden name, biometric records, home phone numbers, other demographic, personnel, medical, and financial information. PII includes any information that is linked or linkable to a specified individual, alone, or when combined with other personal or identifying information. For purposes of this issuance, the term PII also includes personal information and information in identifiable form.

SECRET//REL TO USA, FVEY

conducted searches using	
th JSignout and Microsoft Lync numerous times a day. However, did not message either individual on Lync.	
* (S//REL) Audit of Cognos. audited Cognos logs from 1 May 2014 through 31 July 2014. They reviewed all reports run by during the timeframe. The audit log reflected no reports related to However, due to technology limitations, the audit records only included queries made on "saved" reports in the Cognos environment. Therefore, if a user ran a query one time and did not save the search (i.e. if searched Cognos for on an ad hoc basis), there would be no audit record.	
(U7/FOUO) Email Evidence. The OIG reviewed Top Secret and Unclassified email files (* pst) between September 2013 and September 2014. The OIG found two references to only one of which was by name. The first was an August 2010 email between and in which they corresponded about job opportunities and their personal lives. The second was an email dated 17 September 2013, in which wrote that her boyfriend's [assumed to be exwife [assumed to be "works down the hall from me and I run in to her in the hall sometimes:" The vast majority of the email was work-related and concerned Cognos settings, issues, questions, tests, upgrade, errors, and migration. The OIG found no evidence that emailed PII to anyone.	(b) (6)
B. (U) Interviews	(b)(3)-P.L. 86-36
(U//FOUO) was interviewed on 5 February 2015 and provided the following sworn testimony. (U//FOUO) As a Cognos administrator on the contract, could access the databases that Cognos drew from. Cognos pulls information from large databases (such as the and the Human Resources Management System) and displays the desired information. The contained all of the	
brings the data, tools, and a robust warehouse architecture together to enable the data exploration and visualization necessary to identify trends, support strategic planning and timely decision-making. 4 (U//FOUO) is possible to boyfriend (see interviews). (U//FOUO) DoD Directive 5400:11 states that contractor personnel will disclose any PII contained in any system of records, except as authorized Although viewed salary information, so disclosing that information to anyone.	l. she denied
(U//FOUO) The OIG uses a preponderance of the evidence standard in administrative and civil investigations. This standard is considered to be if, after weighing the evidence, there is a greater than 50% chance that the proposition is true. In this case, there is no physical evidence to show the related the salary information she obtained to (i.e. an email). Furthermore, when considering testimony, one witness of that disclosed PII, while two witnesses claimed that she of Finally, the OIG found the subject, to be a credible witner therefore, there was insufficient evidence to support the claim and the all was unsubstantiated.	satisfied at laimed lid not.
VI. (U) Conclusion(s)	(b) (3)-P.L. 86-36 (b) (6)
 (U//FOUO) Unsubstantiated. The OIG did not find by a preponderance evidence that 1. Used NSA/CSS ISs to perform tasks not authorized by the contract, by the Contracting Office, or permitted by NSA/CSS Policy 6-4; 2. Disclosed personally identifiable information (PII) concerning without authorization.
