

German - Got from British the set of instructions etc for ciphers provided by reusch

Persian - Ldn (Shaker)
India Col. Gleason at Abbottabad)

Have 1 or 2 books (obt in India) 3-letter code gpo using Arabic letters with subs on letters. Also handle Afghanistan

Irak, Hedjaz, etc - Dealt with in Palestine - Major Danielian. Connected with wpt station at Sarafand Prob not more than 1 or 2 people In touch with Denmark + British, Tam War Office

Vatican City - Some work has been done up to about 1935 readings obtained. Had 30 pages 30 words on column Receipt rpt for whole usage (with ind) Complicated system by which letter substitution took place in pairs

Strankey was handling before left but may not have done anything in it

China - Col. Jeffery Ldn Chinese books quite large with pictures transposed. 5-letter gpo. Formerly not deciphered but now deciphered by "squares" 80 forms of cypherment now but only a few being read. Tolkman strongly advises sending some one over if we are to go into it. Good Chinese scholar + thick skin necessary to deal with Jeffery

Finnish - ① Hagelin (Leading Y man "Major Hallamaa")
② Transposition - not attacked

① - Ord 6-wheel -

Russian -

① Dip - One-way tables at set 4, 2 w 3 common
Separate tables for trade org
Port have nothing since 1930

② Military -
- One way table on book
" - Book plus tables given 
" - 4-fig book with 2-fig changes & 2-fig
remains same. Eliminated about year
ago & intro additives

iv - Small 3-fig books air-ground

v - March 1941, intro additive based on
book universally for all services replacing
everything except 1-way table system

Sub single figures for letters (I+S
rep by same digit for example)

Key books such as History of Com. Party (Russian)

→ Code "

Indicators - Either in clear (page & line) or
very simple

Have very complicated system of procedure, ~~add~~ sign
changes, map references. Quite up to date
Porton have definite expls (orig) of books & tables
Captured by Finns

~~TOP SECRET~~

Spanish - Have we copy? I miss Anderson now has Winter section

Portugal - Mr Exell - Doing work on Port but Feltman does not know. Can get if we want

French - Simple col. transp in W. Africa - Can have
 Air - Col. Feltman brought over some stuff
 Get J to get most recent rept on Ft Miel in Near East

Balkans - military attaché:
 { Yugo slav - Set sub tables on code Could get skeleton from
 { Bulgaria - Large 5-fig book with numbers on page
 + line But have had one book - Current?
 Yugo slav dep system like Bulgaria

in
 Graefenberg } Greek - ? Don't know
 Roumania - Have dep. code no know of details.

Hungarian - 3 or 4 replacement books worked by Knox
 but poor records. No work been done now
 Evidence of dep rep being of Agents.
 Lots of t/c when they talk
 Some material easy - 24 groups repeated key
 Can get all known details from Deumwater but
 not being handled at all now.

Turkish - Do lot work Near East Sec - Dr. Thacker
 4-fig 10000 gp book, 3 or 4 diff code
 books Butok have books + continuity.
 Work done also in Palestine.
 Mil Att - op. book
