Dear Vince:

We were so pleased that you and Mrs. Wilson were able to attend this year's Associates Dinner. I am sorry I did not have more time to visit with you, but it was difficult trying to see so many people in such a short time. I am glad I did find you in the crowd!

Thanks again for forwarding a copy of the diary Colonel Friedman kept when he went to Europe to the Marshall Library. It is an important addition to our holdings.

Sincerely,

*Tony*
