RE-ISSUE

THE SHADOWING OF "G.M.T" (1945)

From: NEW YORK

To: MOSCOW

No: 87

19 Jan. 45

2116 50

To VIKTOR^[i].

[16 groups unrecovered]

ZENZINOV^[ii]

[18 groups unrecovered]

DALLIN^[iii] and allegedly KERENSKIJ^[iv]

[21 groups unrecoverable]

the last three weeks G.M.T [KOMAR]^[v] and DALLIN have been in a great panic. G.M.T has noticed that he is being intensively shadowed; moreover he and D.^[vi] have received warnings by telephone from some persons or other that CARPAGE [KREFAGEN]^[vii] is preparing to hand G.M.T over to the HOUSE [DQI]^[viii]. G.M.T is alarmed by the incessant shadowing and is said to be hiring two bodyguards. D. says that he supposes that it is the "GPU"^[ix] which is having G.M.T shadowed, preparing to do away with him.

The work [OPORUENIE] on G.M.T is being carried out by KANT^[x] and JENNE [ZHENNA]^[xi]. KANT is acquainted with G.M.T personally, but [B% for the most part] gets his information through a neighbour^[a].
