60 Hudson Street, Room A-33  
New York 13, New York

Dear Mr. Corvita:

A draft copy of the minutes of the first Telecommunications Panel meeting is inclosed for your review. Upon receipt of your additions and corrections to the minutes a revised set will be forwarded to all personnel interested in the activities of the Telecommunications Panel.

Dr. Menzel has indicated that Traffic Analysis problems should be discussed before the Telecommunications Panel. Will you kindly indicate whether or not you wish to include this subject in the agenda for the next Telecommunications Panel meeting. The Office of Production is responsible for Traffic Analysis but I can make the arrangements for this presentation.

If it is your pleasure, the name of Dr. Winfield Salisbury will be submitted, through Mr. W. Friedman, to NSASAB for consideration as a member of the Telecommunications Panel.

The annual report of the Radio Equipment Division has been completed. It will be available at the next meeting of the Telecommunications Panel.

Would you kindly sign and return the lower portion of the attached receipt.

Sincerely,

C. R. Summers  
Acting Secretary  
NSASAB Telecommunications Panel
