MEMORANDUM FOR AFSA-OOB

SUBJECT: Clarification of [redacted] USCIB Team Meetings
of 17-20 September 1951

1. AFSA-OOB has requested clarification of the following paragraph of subject [redacted] (page 4):

"At the conclusion of these discussions Colonel CLOW and the members of the mission wished to thank the Chief of the [redacted] for the frankness with which the various problems of the [redacted] were explained, and he expressed the hope that a basis for negotiations with a view to exchanges--of raw materials and the results of Radio Analysis--might be found as the result of these conversations."

2. The undersigned members of the U.S. Team are in agreement that Colonel CLOW did not employ at this juncture the term "results of Radio Analysis," nor did he employ the U.S. term "T/A results." In fact, material which might be called T/A results or reports was at no time included in the discussions of material that might be forthcoming from the U.S. in the event of an [redacted]
