TENTATIVE

SUBJECT NUMBER

USCIB: 4./2      Item A (Not on the Agenda) for the 117th Meeting of USCIB, held on 12 July 1955.

Subject:            Recommendations of the Clark Committee Report.

MR. ARMSTRONG asked about USCIB progress relative to formulation and submission of views on the subject Report.

MR. SHELDON responded that a procedural question related to the manner in which the Board desired to tackle the matter is involved. Copies of the Report, he added, have been reproduced and sent out to each member on limited distribution.

The ensuing discussion resulted in agreement to refer the matter to USCIBEC with a view to receiving its recommendations by the first week in August.
