

USCIB: 4.2/19

26 April 1954

~~SECRET~~MEMORANDUM FOR THE MEMBERS OF USCIB:

Subject: Restriction of Travel of Persons having COMINT Knowledge.

Reference: USCIB 4.2/13 of 16 March 1954.

1. Further examination of the idea set forth in the reference indicates a need for more specific information. Accordingly each member is requested to supply the Executive Secretariat with answers to the questions set forth below.

2. If an acceptable solution to the administrative control procedures could be worked out, would you anticipate imposing travel restrictions for any countries other than those under Communist domination or control? If the answer to the above question is "yes," please either list the countries or the criteria by which you would determine additional countries for the restricted list.
