~~SECRET - U.S. EYES ONLY~~MEMORANDUM FOR THE MEMBERS OF USCIB:

Subject: USCIB Directive #9. (USCIB 4.2/11 - Reporting of Compromises)

1. With the idea of promoting standardization of security practices at a high and uniform level in implementation of Appendix "B" to the CANUSA and UKUSA agreements and further to the intent of paragraph 46 thereof, copies of subject Directive are being furnished to CRC, LSIB, their Liaison Officer in Washington and to the U.S. Liaison Officers in London and Ottawa. These copies are numbered 39 through 52 inclusive and have been altered by the deletion of reference to NSCID #9 in paragraph 4 of section II on page 3 and by substitution of the words "other existing directives" in place of reference to NSCID #9 at the end of paragraph 1 of section IV on page 6. While these deletions have little if any substantive effect on the Directive they do have the effect of rendering these copies no longer fully authentic versions as approved by USCIB.

2. It is recommended that a copy of this notification be filed with your authentic copies of subject Directive.
