Para 2TENTATIVE:

"MR. POLYZOIDES explained that he is interested in a method of procedure and in preparing State's paper had tried to avoid old methods which had been rejected by NSA. He felt the State list to be extremely flexible, adaptable to all and when combined with the requirements of the other members would not increase in bulk ..."

FINAL:

"MR. POLYZOIDES explained that he is interested in a method of procedure which would avoid the insufficiencies of the previous MRL and would lead as directly as possible to allocation of production resources. In preparing State's paper, the effort had been made to avoid old methods which had been rejected by NSA. He felt the State list to be extremely flexible and adaptable to the needs of the other agencies. When combined with the requirements of the other members it would not increase unduly in bulk ..."
