USCIB: 5.3/49      Item 1 of the Agenda for the Seventeenth Meeting of USCIBEC, held on 30 July 1954.

Subject:            Approval of the Final Minutes of the Fifteenth and Sixteenth Meetings.

The CHAIRMAN asked if there were any objections to subject minutes. There were none.

The CHAIRMAN drew attention to the decision on Item 1 of the Fifteenth Meeting and asked if the members felt it necessary for the minutes to show that it was understood that extensive deletions from the document then being considered might give rise to a need for further consideration.

It was the consensus that such a correction is not necessary.

The Chairman then declared subject minutes approved.
