~~TOP SECRET - U.S. EYES ONLY~~MEMORANDUM FOR THE MEMBERS OF USCIB:

Subject: Report by Director, NSA on the Capabilities of the National Security Agency to Respond to the USCIB Master Requirements List.

Reference: USCIB 5/455 dated 15 July 1953.

1. The enclosure hereto is submitted by the Director, NSA in response to paragraph 3 of the enclosure with the reference.

2. Owing to the comprehensive and unusually sensitive nature of the enclosed Report it is requested that each member:

a. Restrict access to it to himself, those of his superiors whom he feels have a clear and specific need to know, his Executive Committee Member and his Intelligence Committee Member.

b. Insist that the enclosed Report be hand-carried by and between the individuals who will have access to it.

c. Provide that permanent custody be assigned to one individual who will treat the Report in the same manner as a registered publication obtaining a temporary custody receipt each time it passes from his hands.

d. Forbid transport by aircraft any place.

e. Forbid transport beyond the continental limits of the U.S.A.

3. Distribution is being limited to 2 copies per member and these will be delivered personally to the Executive Committee Member by a member of the staff of the Executive Secretariat.

4. If time permits, subject Report will be considered by the Executive Committee in connection with Item 5 of the Agenda for the 17th Meeting.

Without Enclosure.
