MEMORANDUM FOR THE CHAIRMAN, USCIB

SUBJECT: Emergency Indoctrination of an Official of the Bureau of
the Budget

In connection with the Department of State budget, it has become imperative to discuss COMINT activities directly with Mr. George Francis Schwarzwaldler, Special Assistant to the Chief, International Division of the Bureau of the Budget. This discussion must include a description of the nature, organization and conduct of COMINT activities within the Department of State. It will not be necessary to grant Mr. Schwarzwaldler direct access to COMINT materials, but it is anticipated that discussions with him will be very detailed on administrative matters. Nevertheless it is felt, that the general security of COMINT activities will be served best by a formal indoctrination to include specific knowledge and acceptance by him of the obligations inherent in indoctrination for COMINT.

Mr. Schwarzwaldler has been with the Bureau of the Budget since August 1941 having previously been employed for 9 years in the Pennsylvania Department of Public Assistance. He is cleared currently by the Bureau of the Budget for access to TOP SECRET, this clearance having been completed in 1942. In 1948 and most recently on 8 April 1952 the FBI completed reviews of the security status of Mr. Schwarzwaldler, finding no disloyal data or derogatory information at either time.

It is requested that USCIB approve emergency COMINT indoctrination of Mr. Schwarzwaldler for the purposes described in the opening paragraph above, and that this approval be granted prior to the close of business on Tuesday, 4 November 1952.
