~~SECRET~~ ~~AMBLE~~MEMORANDUM FOR THE MEMBERS OF USCIB:PL 86-36/50 USC 3605
EO 3.3(h) (2)Subject:

Reference: USCIB 13.7/16, dated 25 May 1954.

1. USCIBEC considered the reference at its Fifteenth Meeting, 28 May 1954, and did not accept the Intelligence Committee recommendations contained therein. Instead, USCIBEC agreed to recommend to USCIB that:

- a. The existing emergency provisions of Appendix B, UKUSA, be considered adequate to cover the situation described, pending further LSIB-USCIB action to formalize categorization.
- b. The Director, NSA, proceed as expeditiously as possible in an effort to reach agreement with GCHQ on the details of categorization and that, in so doing, he endeavor to have action with regard to Category I separated from the overall problem in order that this aspect may be formalized with the least practicable delay.

2. Notification of this action of USCIBEC is forwarded to USCIB in accordance with the provisions of paragraph 11 of USCIB Directive No. 1. In the absence of objection by any member prior to 1300, 11 June 1954, the above USCIBEC decision will be considered approved.
