EO 3.3(h)(2)  
PL 86-36/50 USC 3605

MEMORANDUM FOR THE MEMBERS OF USCIB:

Subject: Prospectuses of Cryptanalytic Training [redacted].

Reference: USCIB 29.11/13 of 1 February 1955.

1. Vote sheet responses to the reference were all in the nature of approval. In addition several members favored preparation of a prospectus along T/A lines and none expressed views against such action. Specific recommendations were as follows:

STATE:

"I suggest that NSA proceed to the preparation of a prospectus for T/A training materials with the understanding that it will not be given to the [redacted] unless specifically requested by them and agreed by USCIB and LSIB." (Secret)

DEFENSE:

"Defense desire that the Director, NSA proceed with the preparation of traffic analysis prospectuses." (Confidential)

AIR FORCE:

"It is desired that the Director, NSA, prepare a prospectus of approved T/A training courses suitable for release to the [redacted]" (Confidential)

CIA:

"It is noted that the proposed cryptanalytic training prospectuses are elementary in nature. It is therefore suggested that the Director, National Security Agency, consider the feasibility of preparing the proposed prospectus for T/A training at a somewhat more advanced level." (Confidential)

2. Accordingly the reference stands approved and the Director, NSA should proceed with the preparation of the suggested T/A prospectus.

3. It is noted that the Assistant C/S G-2, D/A, did not comment on the releasability of TM 32-220. If this has not already been done by other
