EO 3.3(h)(2)

MEMORANDUM FOR EXECUTIVE SECRETARY, USCIB

SUBJECT: ~~(Top Secret)~~ Comint Relations with

1. The USAF has noted the reply of LSIB relative to the provision of equipment to inclosed with USCIB 29.17/23.
2. With respect to British negotiations with the cognizant U.S. authorities for the supply of equipment for Elint use, an approach was made to the CIA and USAF on 8 April 1955 to discuss this matter. On the grounds that the U.S. national Elint policy is currently in the process of being finalized, it was felt advisable to decline the British request at this time.
3. With reference to the last sentence of paragraph 4 of the LSIB reply, it is considered that future requests for equipment should be made directly to USCIB. This procedure is preferable inasmuch as these requests are expected to be made only on an annual basis and since the dividing line between equipments desired for Comint and those needed for Elint purposes is not definite.
