PL 86-36/50 USC 3605~~TOP SECRET FROTH - U.S. EYES ONLY~~BASIS OF PROPOSED US COMINT RELATIONS WITH

1. In order to improve the quality and quantity of COMINT available to the US, the ultimate objective of US policy is to establish COMINT collaboration with designed to exploit exhaustively their COMINT potential. Such collaboration should be negotiated with Third Party Governments or their COMINT authorities negotiating on an official basis. Such collaboration should be conducted directly between the national COMINT organizations concerned but is not to exceed the then existing capability of each nation, and must not operate to the detriment of current US COMINT relations with other governments.

2. The arrangements which may ultimately be concluded with these countries, either individually or collectively, will probably extend beyond the limitations of paragraphs 4 and 5 of Appendix P to the UKUSA Agreement, but would not be as extensive as those provided for between the UK and US.
