MEMORANDUM FOR THE MEMBERS OF USCIBEC:

SUBJECT: Proposed COMINT Relations with

REFERENCES: (a) USCIB 29.19/1 dated 3 September 1954
(b) USCIB 29.19/7 dated 19 October 1954
(c) USCIB 29.19/8 dated 27 October 1954

1. In accordance with paragraph 3 of reference (c), the subject problem has been reviewed in conference by representatives of CIA, State, NSA, and the Air Force.

2. The discussion emphasized the need for training on the part of the embryonic service. CIA representatives stated that considerable training would be required in order to make the proposal worthwhile. The CIA member agreed to present to USCIBEC a more particularized statement on this point than that contained in reference (a). NSA representatives agreed to prepare a statement of the degree of training and information which NSA would recommend for release to the

3. The CIA member therefore desires to re-submit reference (a), and to substitute the attachment for sub-paragraphs 5a and 5d thereof.

AMENDMENTS TO SUB-PARAGRAPHS 5a AND 5d, USCIB 29.19/1

5a. The U.S. will furnish limited assistance to the [] COMINT activity in the form of cash subsidies, D/F and "releasable" intercept equipment, guidance in station design, equipment installation and maintenance, location of intercept stations, organization and training (including language training if necessary). In order to anticipate adequate return for the U.S. investment in the [] service, it is deemed essential that the training and information provided should be sufficient to enable the [] to intercept the targets desired by the U.S., and to maintain continuity of intercept on these targets.

5d. In accordance with LSIB views set forth in the Enclosure with USCIB 29.19/7, there should be maximum coordination between U.S. and U.K. COMINT authorities in matters involving []
