Att'n Mr. W. F. Friedman

Dear Mr. Friedman:

In the recent memorandum which I sent you I believe I omitted Gordon Pall, Saunders MacLane and Lowell Paige from the list of suggested panel members in mathematics. I may also have failed to put MacPherson's name in the appropriate panel list. If the memorandum has already been reproduced with these omissions no harm is done since the names can be taken up anyway when we meet.

Sincerely yours,

S. S. Cairns
Head of the Department
