

SCAMP

Serial: 30089

13 FEB 55

Professor S. S. Cairns
 Department of Mathematics
 University of Illinois
 Urbana, Illinois

Dear Stewart:

Here are a few random thoughts on SCAMP:

1. We are almost sure of Bob Shaw for the entire summer. He said you mentioned that you thought you could get him a house for the summer. He has a wife and 2 children. What did he mean? Can IMA do this sort of thing? It would, of course, be much appreciated.
2. Oscar Rothaus and Phillip Johnson (for programming) from 34 can come for the full summer if you concur. I shall come for at least all of July. Gleason will come for August, but I haven't told him yet. I have his S7 is in Paige's hands by now. It should be.
3. Tommy concurs with me on making an offer to Albert Whiteman if you concur and have funds. He is an Associate Professor at U.S.C. but spent last year and will spend next (?) at the Institute. His University pay is 25000 and will probably be 35000 next year.

Please let me hear from you if there are any hitches such as Form 57's, PHS's, etc. I am sending a copy of this to Tommy.

Regards to Kitty and all.

Cordially,

R. A. LEISLER
 Chief
 Mathematical Research Division
 Research and Development
