## Dear Andri

I am snowed under with the problems of my new job. I may not be able to wait until 1 April to discuss things with you. Heanwhile we are still awaiting your WAE contract.

From our convergation of last week I inferred that you were offering your service to us for the month of August, and IHA and D.C. were equally attractive. It would help our efforts to support SCAMP if you would go to IHA. Will you do this? Incidentally I expect to be there for at least the first month, and very probably longer. We expect Bob Shaw, Oscar Rothaus and Phil Johnson to be out there the full time from here, and people like Joe Backus and Abe Sinkov partities.

I hope your form 57 business is straightened out. As Bon wrote you Paige needs ons.

We still haven't received the signal on Ginny's safe arrival, but she may be stranded in Paris. I hope so.

Flease let me hear from you and give my regards to George Mackey and Joe Walsh and any other locals whom I know.

Cordially,

R. A. LEIBLER Chief Mathematical Research Division Research and Dovelopment
