Los Angeles 24, California

Dear Tommy:

Enclosed is a copy of a letter to Stewart. I wish I could enclose a copy of the WW sonograph which was promised. Unfortunately, but probably justifiably, it was upgraded to Top Secret.

Your badge has been turned in. No receipts are ever issued. What a way to run a place! I hope you can get in if you ever come back -- which I hope.

Henry DeFrancesco would appreciate any new dope on SWAC that comes out between now and 1 July that would affect programming. Should we operate thru Bu Stds, Washington or ask you?

My letters will probably get longer if and when I get my audiograph.

Regards to Polly and all.

Cordially,

R. A. LEIBLER
Chief
Mathematical Research Division
Research and Development

Enclosure
