SUBJECT: SCAG

Our plan for SCAG has been approved by RDB. I understand that Dr. Potts and Dr. Cairns, who were proposed as desirable members for SCAG are to attend an RDB Panel here on the 27th of March. Since I will be away, will you please explain the plan to them and ask if they would consent to joining the group. I have discussed the matter thoroughly with Speakman so you can ^{ask} him to speak to Potts and Cairns if he is also present. Attached are some
(over)

forms which Potter and Cairns will have to fill out (Form 60 as soon as possible and the others when they begin to help us).
 Speakman can give you the story on this. In case you don't want to bother with the papers just find out whether Potter and Cairns are interested and willing.

As for the other members of SCAG, I am contacting, or have already initiated, an approach.

If any question arises about fees, Speakman tells me that RDB is thinking in terms of \$45 per day, plus usual travel expenses.
