MEMORANDUM FOR: Mr. William Webster, Chairman, Research and Development Board

SUBJECT: Special Cryptologic Advisory Group (SCAG)

Reference: Memorandum for the Chairman, Research and Development Board, from Director, Armed Forces Security Agency, dated 23 February 1951, same subject

Enclosures: Agenda for First Conference of SCAG

1. a. The enclosure to the reference listed the names of ten potential members of SCAG. Thus far, the following have indicated their willingness to serve on SCAG:

- (1) Dr. John von Neumann
- (2) Dr. Stewart S. Cairns
- (3) Dr. Charles B. Tompkins
- (4) Dr. Howard T. Engstrom
- (5) Dr. R. K. Fetter

b. It is understood that you will prepare and forward formal invitations to the foregoing members, and will handle necessary paperwork in connection with their consultative services.

c. Information with regard to the availability of the other potential members of SCAG listed in the enclosure to the reference will be furnished as soon as practicable.

2. Subject to your concurrence, the following arrangements for the initial SCAG meeting are proposed:

a. It is desired to open the conference on 4 June at the Naval Security Station, 3801 Nebraska Avenue, Washington, and to carry on discussions for two days.
