WEAPONS SYSTEMS EVALUATION GROUP  
WASHINGTON 25, D. C.

16 April 1952

Dear Bill:

In reply to your letter of 4 April, I should like to keep the publications listed a little longer--on the chance that I may be able to read more of them before leaving here.

It was very pleasant to see you the other night at the Cosmos Club, and expect that too may happen again!

Very sincerely yours,
