WEAPONS SYSTEMS EVALUATION GROUP  
WASHINGTON 25, D. C.

Mr. William F. Friedman  
Armed Forces Security Agency  
Washington 25, D. C.

Dear Friedman:

I am much encouraged by the progress of our group, as evidenced by the meetings this week - which is probably a reflection of my own feeling that I am beginning to have a little better understanding of the problems. I hope, when the present rush of business over here lets up a little (assuming it will!) to come over and do some reading, under the guidance of yourself, Campaign and Hall.

This morning I was down by Dondero's, and remembering your query about the Medal for Merit rosette, picked one up for you.

Sincerely yours
