Dear Williams,

I have had a note from [redacted] stating that Foreign Office have been informed by a member of the [redacted] staff that [redacted]. He would like to know, if possible, whether the [redacted] is correct and if so what type of machine it is intended to supply.

I am writing this in the form of a personal letter to you as I do not know whether it is a delicate matter or not.

Yours sincerely,

[redacted]

Captain J.A. Williams, USN,  
N.S.S
