9TH MEETING

PERSONNEL CONTROL COMMITTEEMinutes of Meeting Held6 November 1944

1. Overlap of Shifts - The question of presently scheduled working hours for the several shifts was discussed briefly. It was decided to request a further study by the Control Office, before making a firm recommendation to the Commanding Officer.

2. T/O Adjustment - A general discussion was held and it was decided the committee would be prepared to take action regarding allocation of personnel to the several branches at the next meeting.

  
Joseph W. Johnston
