subcommittee agreed upon one name, that it could be assumed that the full board approved. If, however, more than one name was selected as being equal in qualifications, such names would be presented to the entire board at the next meeting. In that Doris Dexing was a unanimous selection, the recommendation to promote her will be forwarded to Colonel Hayes for final review.

2. The recommendation was forwarded to and approved by the Chief, Army Security Agency.

As stated in the report, the recommendation of the board was approved by Colonel Hayes.

2. PROMOTIONS

Cecil Corry, AS-84
Re-establishment of Position
Traffic Analyst (P-4) to Traffic Analyst (P-5)

At the outset, Mr. Sullivan explained that this P-5 position has been approved by the Chief of the Agency and forwarded for consideration of the Civilian Employment Board. Discussion followed and Mr. Sullivan asked for further recommendations. Mr. Rowlett named five individuals from AS-90 whom he deemed eligible, and general discussion was held on qualifications and alignment of positions.

Dr. Kullback then suggested that a subcommittee be appointed to examine this case as was done in a previous similar situation. Mr. Sullivan named the following subcommittee:

Mr. F. B. Rowlett
Dr. A. Sinkov
Dr. S. Kullback
Major H. D. Jones
Mr. J. L. Sullivan

Meredith Gardner, AS-93B
Research Analyst (Crypt) P-3 to Research Analyst (Crypt) P-4

Upon presentation of Mr. Gardner's case, Mr. Sullivan asked if there were other recommendations. There being none, he asked for a motion that the promotion be approved. The motion was made, seconded and carried.

3. VISITING INSPECTORS

Mr. Sullivan announced that two inspectors from the Department of the Army are making an inspection of the personnel situation within the Agency. The inspectors will go into the operating divisions and will talk to division chiefs concerning various matters pertaining to job alignment and personnel administration. The purpose of the inspection, Mr. Sullivan added,

is to see if the Agency meets personnel requirements as set forth by the Department of the Army. The inspectors will make recommendations based on their findings.

4. PROMOTION

Lt. Colonel Libby assumed chairmanship in order to discuss the proposed promotion of Mr. John L. Sullivan, AF-80, Administrative Assistant, CAF-10, to Personnel Officer, AS-61, CAF-12. As there were no other recommendations, Lt. Colonel Libby asked for a motion that the promotion be approved. The motion was made, seconded and carried.

5. TARDINESS

Mr. Sullivan resumed chairmanship of the meeting and asked for other subjects for discussion by the Board. Lt. Colonel Libby mentioned that he had observed increased laxity in the observance of normal opening and closing hours by civilian personnel. The consensus of opinion was that this matter is the responsibility of individual supervisors who should be notified to take corrective measures. Further discussion brought out the point that at least some tardiness is due to transportation difficulties. Major Faulds explained that Captain McCullough has been tabulating complaints concerning bus service; a conference with the Arnold Bus Company will be held in the immediate future.

There being no further subjects for discussion, the Board adjourned.

JOHN L. SULLIVAN
Acting Chairman
