The subject: military titles.

1. Lt. Zeb presented some half dozen titles which he considered necessary. It was agreed that the branch having primary responsibility for each title prepare the draft of the spec. and coordinate with Lt Zeb. These drafts would then be submitted to the committee to be considered in the overall spec. review.

2. Relationship between military & civilian job titles: It was agreed that (a) 9600 and 9604 are equivalent to the (new) P cryptanalytic series.

(b) 808 and (CA translator) = SPECIAL adcen.

(c) 808 = also CAF CA denial series

(d) 808 = " P " " "

(e) 9602 = basically clerical and not in cryptanalytic category.

In accordance with the agreement Lt Zeb is to introduce an addition (from the civ. descriptions) to each description of 9600, 9604 and 808. so as to more nearly parallel the civ. descriptions viz. to include the collateral information feature.
