MEMORANDUM FOR THE MEMBERS OF USCIB:

Subject: COMINT Relations with

Reference: USCIB 29.17/23 dated 11 April 1955.

1. USCIBEC considered the enclosure with the reference at its 28th Meeting, 22 April 1955.
2. While there were some questions on specific points of the U.K. proposals, based mainly on informal information available to the Committee, it was agreed that the LSIB statement of the situation should be accepted, on the assumption that future equipment requirements for the for COMINT purposes will be subject to ultimate USCIB approval in any case, and that USCIBEC would recommend that USCIB:
 - a. Approve the proposals contained in the enclosure with the reference, and
 - b. Direct the Executive Secretary to see that LSIB is informed of such approval.
3. In the absence of objection by any member by close of business 6 May 1955, the USCIBEC decision reported above will be considered approved.
